Brand integrity is a fragile thing, so it needs to be treated as such. Brand guidelines are, in essence, your owner's manual on how to "use" your brand. These guidelines will be referenced by everyone who touches your brand, internally or externally, and will often be partially reused in future brand identity revisions.

Brand Manual

A style manual, or style guide, is a set of standards for the design of documents, website pages, signage, and any other form of other brand identifier. The reason for their existence is to ensure complete uniformity in style and formatting wherever the brand is used.
