Book Notes by David Mays

Deep Change. In his book Deep Change - Discovering the Leader Within, author Robert E. Quinn writes about the dynamic and constant change that all of us face in our professional lives. According to Quinn, we can respond to this continuous change in one of two ways; we can ignore change at our own, and our organization's peril, or we can embrace change and use it as a catalyst to make our teams and organizations stronger and more resilient.

Deep Change | TMF, Inc.

The Transforming paradigm is the paradigm in which leaders move and describe the paradigm in which profound change can occur in an organization. Leaders dare to take high risks, in contrast to individual contributors and managers, to achieve the organization's vision, even if it is not in their personal interest.

By helping us learn new ways of thinking and behaving, it shows how we can transform ourselves from victims to powerful agents of change.

Deep Change: Discovering the Leader Within ...

I did not get what I expected from Deep Change. "Discovering the Leader Within" sounds like a psychologized, self-absorbed look at leadership. Deep Change isn't that. Deep Change is the acknowledgement that nothing changes unless people change. People don't change unless a person, namely the leader, changes.
