International Business 8th Edition Charles Hill

A brilliant international business textbook - it covers such topic areas as economic theories, government policies, business strategies, organizational structures, etc. - all the usual stuff you'd expect to find in any business text.... but what Hill does is that he seems to go a little further than all of his contemporaries.... he challenges not only their explanations, but debunks them as impracticable, worthless and infantile [in some cases]... it's an amusing spectacle when you consider the
