As you type a case number, the results on the screen will automatically be refined and cases included in Response Requests and Under Review by FHA will filter to only show the review(s) associated with that case number.

LRS User Manual - HUD

What is the APR on a mortgage? The annual percentage rate (APR) is the amount of interest on your total mortgage loan amount that you'll pay annually (averaged over the full term of the loan). A lower APR could translate to lower monthly mortgage payments. (You'll see APRs alongside interest rates in today's mortgage rates.)
