Polk Audio PA880 Monoblock Amplifier - YouTube

The real question is, why anything else? We've always made the best speakers at the best price - that's it. But for storytelling's sake, let's back it up to 1972 where a group of friends, talented engineers, and music lovers got together with the skillset, the ambition to make the best speakers they could afford, and the attitude to change the establishment. That day, a speaker company ...
