Year 1 ICFR costs far exceeded the SEC's (and probably Congress') initial expectation. The key reason for this mismatch between expectations and reality is the discovery that prior to the enactment of §404 and despite the existence of the Foreign Corrupt Practices Act, ICFR was not a high priority of either companies or their auditors.

A Layperson's Guide to Internal Control Over Financial ...

The auditors will have to report whether a company has an adequate ICFR system in place and whether the same was operating effectively as at the balance sheet date of March 31, 2016 In practice, this will mean that when forming its audit opinion on ICFR, the auditor will surely test transactions during the financial year ending 31 March 2016 ...
